

XXIV. Geo. 2d DECEMBER. X Month.

And thou *supreme of Beings* and of Things!
 Who breath'st all Life, and giv'st Duration Wings;
 Intense, O let me for thy Glory burn,
 Nor fruitless view my Days and Nights return;
 Give me with Wonder at thy Works to glow;
 To grasp thy Vision, and thy Truths to know;
 To reach at length thy everlasting Shore,
 And live and sing 'till Time shall be no more.
